Therefore all persons, to whom the research and history of the fire fighter is an aim, are invited to publish their research results on the topic in the conference volume and to present it during the conference.

The host and organizer of the 28th meeting of our International Working Group in Balatonföldvár is the National Directorate General for Disaster Management, Mol, Hungary; NDGDM. The professional firefighter service in Hungary was founded in 1870 and celebrates its **150th** anniversary this year. Therefore, the conference will take place in the context of the celebrations on the occasion of this anniversary and the NDGDM is pleased to be the host of the conference for the first time.

If you want to publish a contribution, please write to beitrag@ctif-history.com until 30th May 2020 indicating the provisional page count (A4 in Arial 12, paragraph 0 pt, easy) and the number of images. **Final deadline is 21th July 2020!** We ask you to reliably meet the deadline. The attachments can be transferred via FTP (File Transfer Protocol). **A detailed guideline is attached.**

A higher number of copies or reserves cannot be financed.

Please pay only the organizational contribution of 20 € per conference participant to the account of the **Vorarlberger Hypo Landesbank AG** IBAN: AT 805 8000 123 0423 8036 BIC/Swift code: Instruct HYPVAT2B.
